

Mahan Abedini

FRONT-END DEVELOPER

EDUCATION

TEHRAN TECHNICAL COLLEGE - JANNATABAD
Associate's degree - software
2021- now

ABOUT ME

I'm junior front-end developer and really love and enjoy my job and I'm trying to be better . What made me fall in love with web development and front-end is the capability to create interfaces and in some kind make art, when developing I feel like I'm making art with coding
